You had better act quickly here! With the University year just around the corner, this quality built modern unit is in immaculate condition and only a short walk to La Trobe University.

A spacious tiled entrance hall leads to two generous carpeted bedrooms. The master is complete with timber venetians and open ended walk through robe into the three piece two way bathroom, complete with bath, shower and vanity. The second bedroom has built in robes and timber venetians. A separate toilet is convenient, whilst the European style laundry and built in cupboards in the hall ensure there is no wasted space. Ducted heating and cooling control the temperature year round.

The main hub of the home is the spacious open plan kitchen, meals and living area at the rear. The modern sparkling kitchen is large enough to entertain with a feast!
