

## 29 Goldsmiths Road Eaglehawk VIC

4  2  3 

The double-brick home was built by well-known local builder Ted Crawford, it boasts cathedral ceilings in family/meals area and a lovely sunken lounge with timber feature wall and gas log heater; there's an updated kitchen with modern appliances, ample cabinetry and views to the rear yard; ample heating and cooling in the living areas.

There are four bedrooms, the main boasts a walk-in-robe and refurbished en suite, built-in-ropes to three (the fourth is a little smaller); family bathroom with a bath, shower and basin and a spacious laundry.

Front and rear verandas are positioned to maximise winter sun and minimise summer heat and theres a cleverly positioned fernery on the westerly side of the home for further sun protection.

Looking for a large shed??? There is a modern 15m x 7.5m
